

MCLENNANS DIVING SERVICE

It is the objective of the Directors and Staff of McLennans Diving Service to complete projects in a safe and timely manner.

OCCUPATIONAL HEALTH & SAFETY POLICY

McLennans Diving Service has created and implemented an Occupational, Health and Safety Management System. Our Goal is Third Party certification by June 2007.

As part of our commitment to protect the health and safety of their employees, sub-contractors and members of the public which are affected by our activities, McLennans Diving Service undertakes to:

- Identify hazards, assess risks and reduce them to a safe level with controls.
- Ensure that employees, contractors and members of the public have the training, supervision and equipment to implement the controls and identify emerging risks
- Work towards these goals in consultation with our employees and contractors.
- Keep records of our safety performance.
- Maintain a system of review of this System to allow for continual improvement.
- Work to achieve zero Lost Time Injuries.
- Consider the dignity that our Staff derive from their employment and to make it a positive experience
